

## Steve Hilfiker BIO and Photo

Steve Hilfiker, founder of ERMI in Ft. Myers, has been on the Board of FGWA since 2018, serving as Environmental Committee Chair/Past Chair/Board Liaison. He has 33 years' experience in environmental consulting and has served in environmental industry leadership positions since 1991.

Steve graduated from the University of Florida with a master's degree in Geography in 1990. He is committed to advancing the mission of FGWA for another term.

With great relationships in the Florida legislature, Steve has played a key role in the development of effective and equitable environmental policy and legislation. The breadth of his experience equips Steve to bring a truly valuable perspective to the FGWA Board of Directors.
